

Prepaid Israeli SIM

Thank you for buying at prepaid-israeli-sim.com

The Orange SIM card is active and the default language is set to English, just insert the SIM into any unlocked phone and your good to go, to change the default menu language dial *111 ext. 7.

Now you have your own permanent Israeli cell phone number, the SIM card is yours to keep and will stay valid forever as long as a call or text message is sent or received once per year, data usage will also keep the SIM card active.

The Orange BIGTALK SIM Card for Israel Includes:

-  Unlimited FREE incoming calls and SMSs
-  Free voice mail and caller ID

If you use the SIM card without a plan you will pay as you go, see rates listed below
