Cellular Internet : Using the SIM for DATA without a DATA package is ₪3 for the first 10MB, any additional 1MB cost ₪2, max charge for 1 day is ₪49. If your balance is under ₪3the 3G DATA service will not be available until you refill.

Internet APN settings :

Name - Pelephone 3G

APN - internet.pelephone.net.il

IF YOU DID NOT BUY A DATA PLAN DISABLE DATA SERVICES ON YOUR DEVICE OTHERWISE THE PHONE WILL CONNECT TO THE INTERNET AND PAY AS YOU GO.

Checking voice mail : To check your voicemail from your prepaid SIM card simply dial * 151 and follow the prompt, the default password is 1234. **Checking Your Credit balance :** You can check your credit balance by dialing *998 from your prepaid SIM card (this is a free call) and Follow the voice instructions.

Choosing the system language : dial *999 ext. 2-3-1.

Dialing International : For direct international dialing with your Israeli SIM card dial using the 018 prefix followed directly by the country code - for example, dial the USA as follows: first dial 018 then dial 1 for the country code and the phone number 018-1-(555)555-5555

International texting : Dial the plus + sign then the country code followed by the phone number, for example, SMS the USA dial: +1(555)555-5555, MMS messages cannot be sent to international lines.

Making local calls : Israeli phones must have a 0 first, i.e. dial 02-XXX-XXXX for Jerusalem landlines. Cell phones also need the 0 in their prefixes. i.e. 052-XXX-XXXX or 054-XXX-XXXX

Making a collect call : Dial * 142 then enter your destination number record your message and wait for confirmation
Costs are: At 1 second increments 2.81 From Pelephone to landline only (minimal charge is 2.81)

MAKE SURE YOUR PHONE IS UNLOCKED !
